Avon High School

Avon, Indiana

Through the past years we of the Senior Class have had the opportunity of knowing the fellowship of Richard Gerth. Although he has not walked with us these many miles, he has been ever present in our thoughts.

Even though he has been less fortunate than we, he has striven to better himself and has gained the respect of all those he has associated with.

And thus, to him, the Senior Class of Avon wishes to dedicate this annual

COKE PARTY brought many alumni back to share their post-graduate experiences 20

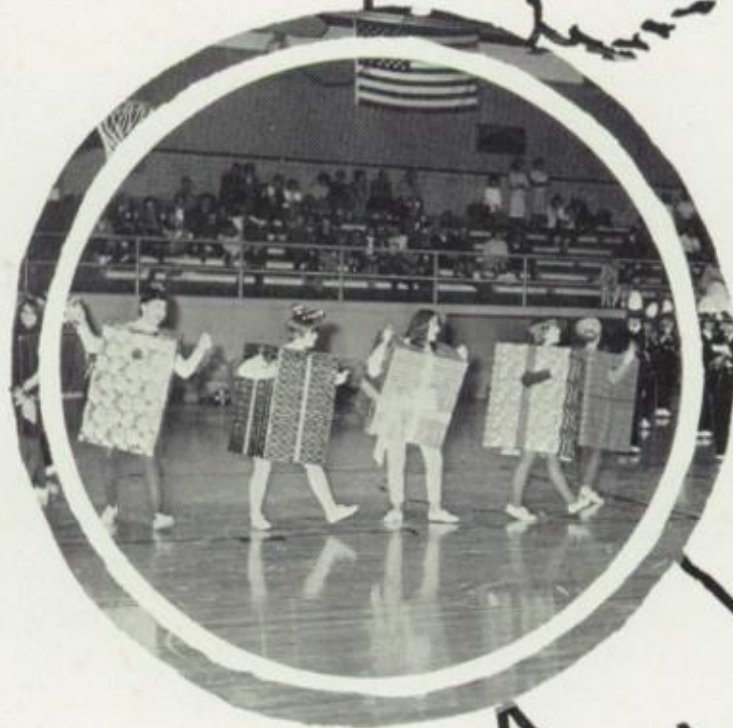

Even though snow was scarce this Christmas season the spirit of good will and happiness was ever present. With the temperature in the 60's and no sign of snow, we went to work putting the school into a festive mood.

Everyone found themselves engulfed in a swirl of activities. The members of Tri-Hi-Y began by decorating each classroom door with colorful wreathes. The lights on the Student Council's huge tree brightened everyone's spirits. Honor Society graced each window with a snow scene, and half time shows saw presents of all sizes gaily dancing about.

The annual Hi-Y Christmas Dance gave us a glimpse of our sophisticated generation as oxford and loafers gave way to velvet and high heels.

Santa made it just in time for our Christmas convocation. He handed out candy canes to the students and wished everyone a . . . MERRY CHRISTMAS!

FIRST WINNING SEASON EVER

After 6 years of Varsity football competition our Orioles have finally attained a winning season.

From the very first day of practice last August when our Orioles began working themselves unmercifully to get into top shape until the last record-breaking contest with Fishers their spirit and confidence never faltered, nor did our faith in their promise to give us our greatest season ever.

Behind our many successes was the outstanding strategy of Coach Ray McKibbin and his assistants.

We would like to congratulate both players and coaches for living up to their promises of our greatest season ever.

Coach Wise, Leaf, and McKibbin, show how to keep warm on a fall evening with a few words to the referee.

Spirit was high. Here we see some of the Orioles awaiting their chance at the opponents.

TRACK

Track is an individual sport based on a team effort. It tends to cause the athlete to push himself at all times and to gain recognition in his own event.

Track is one of the hardest sports to letter in because of the rough competition and scoring system.

The season, although not a winning one, helped to develop strong, future participants.

"What's My Name!" shouts, Mike Reed to Jeff Snapp, "What's My Name!"

What other sport enables the small boy to compete with the big boy on a truly equal basis? Wrestling and weight training enable athletes such as football players, to keep in condition, demonstrate desire for improvement and pick up valuable skills that will aid them in other sports. Wrestling is just in its infancy here at Avon and to be a success there must be some interest, especially among the younger boys who are going to be around a couple of years to keep the program going successfully and to develop.

LETTERMEN'S CLUB

The basic principles of the Lettermen's Club are to stimulate school spirit and to promote good sportsmanship. Members of the club have to participate in a varsity sport and must have earned at least one letter. Members who participate in the same varsity sport for two years receive a letter jacket and for three years in the same sport they receive a plaque. Sponsoring the club this year were Mr. McKibbin, football coach, and Mr. Dust, basketball coach.

LETTERING SENIORS

Participation in a sport for one year merits a letter for each boy. Among those who have been awarded letters for their work were 18 seniors. These 18 have compiled outstanding accomplishments. They have both set new and broken old records.

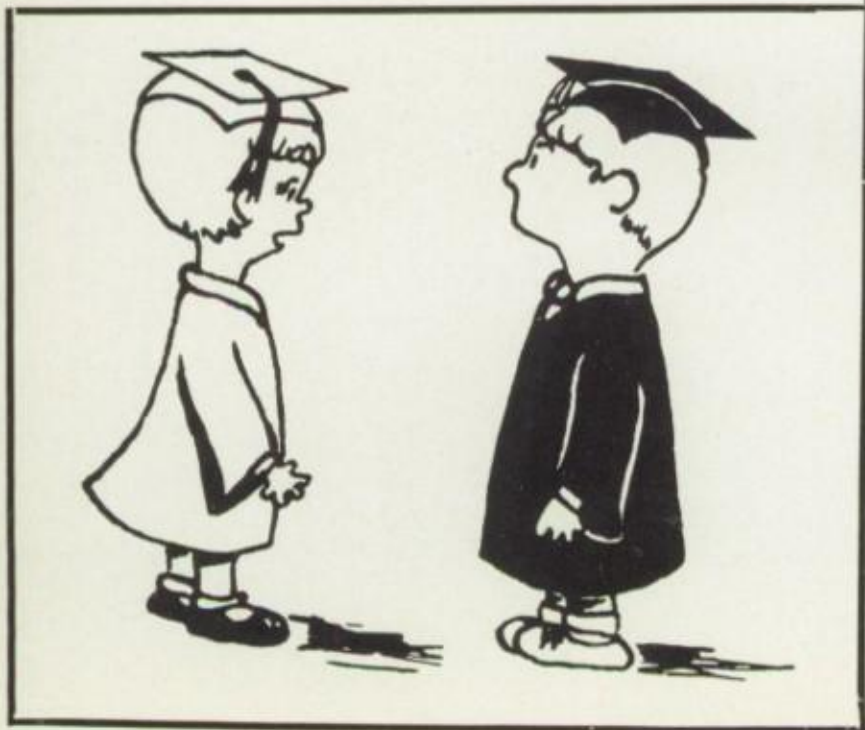

Also working hard for their letters were three varsity cheerleaders. They received their letter after being on the varsity squad for two years.

These seniors shall value their letters with a sense of pride for their achievements.

Gail,

You are without a doubt the most fascinating person I know.

This news about Mike was a sort of a shock but if that's what you want then I am with you all the way!

I hope you will always be happy with Mike. I think the smell gave you the kind of life you want.

I hope we stay in contact after school because your outlook on life has helped me in ways you don't know. If you ever need anything just let me know.

Marty

 hate to sign

 write a lot of

 doesn't deserve
 a lick of satisfaction.

 sign them all anyway, putting exactly
 what the person says to hear. Consequently, I
 I am making you an exception. I've gotten

 friends for a century. Gail, you're really a great person.
